

*Come join us!*  
**MONMOUTH COMMUNITY CLIMATE COALITION** *presents:*

## Rev. Michael Dowd Standing for the Future: Inspiring Science, Evolving Faith, Realistic Hope

*Rising seas, storm surges, extreme weather events—  
How do we stay inspired in the face of changing climate?*

**Monday, June 6, 2016 at 7:00 pm**

(refreshments at 6:30 pm)

First Presbyterian Church of Rumson  
4 E. River Road  
Rumson, NJ 07760

The program, geared for adults and teens, and focusing on points of agreement held by religious and non-religious people across the globe, suggests how we can transform “The Great Reckoning” into “The Great Homecoming.” It builds on Rev. Dowd’s most recent TEDx talk, “[Reality Reconciles Science and Religion](#)”, and expands on his best-selling, bridge-building book, [Thank God for Evolution: How the Marriage of Science and Religion Will Transform Your Life and Our World](#), which was [endorsed by 6 Nobel Prize-winning scientists](#) as well as religious leaders across the spectrum.
